

The Placerville Police Department is working together with the PDA to aid in reporting of suspicious activity in the downtown business area.

**Step 1:** Sign up for Nixle on [www.placervillepd.com](http://www.placervillepd.com)

**Step 2:** Enter your cell phone number, email address and 95667 for zipcode

**Step 3:** Nixle will text reply a confirmation message, when it does, reply “yes” wait for response then type: “**mainst**”. If you have already signed up for Nixle and not the PDA group, you can text “mainst” to 888777

**Step 4:** Download the Placerville Police Department App at Google Play or the App Store for Iphones.

**Step 5:** When there is an incident that occurs which doesn’t reach the threshold of an emergency call to the Police Dispatch, click on the “report” button on the app. Report the incident, giving as much detail as possible. This includes incidents where there may be transients loitering in the area, suspicious person that was in your store and left and did not committing a crime, etc.

**Step 6:** The Police Department will send out the information to PDA group members who have signed up for Nixle.

This does not replace when an incident is such where you want immediate police presence. If that’s the case, please call the police department non-emergency number at (530)642-5280 or 9-1-1.
